

Brisbane Park Infant School – Our Learning Story

School Motto – Believe in yourself										
School Vision – We believe that everyone shares the responsibility for creating a warm and welcoming environment, which inspires every child to have self-belief and achieve their potential										
Our learning values										
September Celebrate	October Thankful	November Friendship	December Keep Trying	January Kindness	February Celebrate	March Thankful	April Friendship	May Keep Trying	June Kindness	
The curriculum Brisbane Park way										
We ensure we follow the guidelines of the national curriculum and adapt this to meet the needs of our school	Staff have and allocated subject to lead across the school	Lessons are adapted and scaffolded to suit all of our children	We value the breadth of the curriculum we provide	We aim to foster creativity in our children and help them to become independent learners	We use enhancement opportunities to ensure our children have varied experiences during their time at our school	We review our practice on a regular basis and make changes we feel are appropriate	We consider the 3Is at all times Intent, implementation and impact	All children are included in our lessons, we believe every child matters	Homework tasks are meaningful and link to our topics, we encourage parental involvement at all times	We believe learning should be fun
Teaching and Learning Intentions										
To provide our children with - a broad and balanced topic, based curriculum, with a strong focus on experiential learning - a language rich environment										
Teaching and Learning Implementation										
To seek the highest standard of attainment for our children	Teachers ensure questions are thought about and planned for	Effective modelling of skills	Challenges and support strategies in place to suit all children Interventions and booster groups	Ongoing formative assessment to inform future planning	Moderation both in school and out of school to ensure accurate judgements	Strong, working partnerships established and maintained with parents and carers	Opportunities for children to work in mixed ability groupings	Classroom environments to be tidy and organised, displays clear, bright and relevant to promote learning	All classrooms to have a child appealing reading corner with a variety of books changed frequently	Investigation opportunities to reinforce and embed skills
